DRUGS AND CHEMICALS.

RELIABILITY.

THE question you ask yourself when you go to a Chemist, is :—"Can I rely on the freshness and purity of the Drugs supplied to me?"

This is a serious consideration, and one that concerns you nearly, for you are bound to rely to a great extent on the druggist's word that that which he sells you is pure and of full strength ; you have no ready means of testing for yourself.

You can detect stale bread, doubtful fish, rancid butter, etc.; but you have to accept the Chemist's word for it that his goods are fresh.

Now, one reason why we do so large a trade in drugs is that we always endeavour to keep faith with our customers ; and the way we do it is by selling only Drugs, Chemicals, Tinctures, Infusions, Mixtures, Ointments, Liniments—in fact, everything—freshly prepared and of full strength and medicinal activity, and to be entirely relied on. We satisfy ourselves that this is so by testing and standardizing them before sale.

We know the prices are right, for they are based on those quoted by wholesale firms for large quantities.

All our Drugs, Chemicals, Tinctures, Spirits, Extracts,
Infusions, and all Preparations

are GUARANTEED to be of . . .

Standard Strength, Fresh & Pure.

PATENT MEDICINES.

OUR Stock of these is immense, varied, and up-to-date, and we sell you single packages at the lowest cut rates that can be obtained. If you want a particularly old or new one that you have seen advertised, we are most likely to have it in stock ; if we haven't, we are always pleased to get it for you.

A CLEAR COMPLEXION

IS EVIDENCE OF GOOD HEALTH.

To be healthy your blood must be pure and not over-loaded with waste matter. The blood is the very essence of life, and conveys to all parts of the body the necessary nutriment; but, along with this is also carried a constantly-increasing accumulation of waste material, which finds an outlet in the Kidneys, Liver, Skin, etc. Should this increase pass a certain point, the blood gets out of order, quickly shown by the appearance of Boils, Pimples, Blotches, etc., on the skin, and if allowed to continue, Scrofula, Eczema, Erysipelas, Sore Eyes, Cancerous Growths, etc.; attacking the joints with Gout and Rheumatism. It is evident that the first care should be to purify the blood. Hedges' Blood Elixir is a thorough Blood Purifier, neutralising the germs of disease, eliminating all gross matter, and quickening the sluggish currents.

A systematic course of it seldom fails to cure, and in all cases relieves, the following Maladies:—

Gout,	Erysipelas,
Rheumatism,	Sore Eyes,
Dropsy,	Cancerous Growths,
Scurvy,	Glandular Swellings,
Scrofula,	Pimples,
Eczema,	Blackheads,
Skin Eruptions of all kinds arising from	
Bad Blood.	

Full directions for Dose, Diet, &c., are given with each Bottle.

The HARE and the TORTOISE.

A Hare laughed at a Tortoise upon account of his slowness. "Let us make a match," replied the Tortoise; "I will run with you five miles for a wager, and the fox yonder shall be the umpire." But the Hare, by reason of her exceeding swiftness, outran the Tortoise; and thinking herself sure of the race, squatted in a tuft of fern that grew by the way, and took a nap. In the meanwhile the Tortoise came jogging on with slow but continued motion; and the Hare out of a too great security and confidence of victory, oversleeping herself, the Tortoise arrived at the end of the race first. "Plodding" is the word. Boys and Girls should early learn it. They should also be taught early that by far the finest remedy extant for the cure of Indigestion, Liver Complaints, Wind on the Stomach, Sick Headache, Costiveness, Nervous Debility, Palpitation of the Heart, Biliousness, &c., is Page Woodcock's Wind Pills.

Mr. James Fraser, 122, Aysham Road, Norwich, states:—"I can speak in the very highest terms of your Wind Pills. A niece of mine, who suffered severely from Spasms, was quickly cured on taking the Wind Pills. Five other young ladies in the same establishment, who suffered in a similar way, received like benefit. I am constantly hearing of most excellent results, following the use of your Wind Pills."

All sufferers from Indigestion, Liver Complaints, Wind on the Stomach, Costiveness, Sick Headache, Palpitation of the Heart, Nervous Debility, Biliousness, &c., should avail themselves of this most excellent Medicine.

Page Woodcock's Wind Pills are sold by all Medicine Vendors at 1/1½ and 2/9; sent post free for price by Page Woodcock, Lincoln.

THE LION IN LOVE.

The Lion saw the Forester's fair Daughter, fell in love with her, and at once demanded her hand, that he might make her his queen. The Forester was much perplexed, unwilling to part with his Daughter, or to offend the Lion. He told the Lion that he would consent upon these conditions,—that he must agree to have his teeth drawn out and his claws cut off, lest he should hurt her, or lest she should be frightened of him.

The Lion assented; but was no sooner deprived of his teeth and claws, than the Forester attacked him with a huge club, and killed him. Wise Forester! So are people the world over who take Page Woodcock's Wind Pills for the cure of Indigestion, Wind on the Stomach, Costiveness, Liver Complaints, Sick Headache, Nervous Debility, Palpitation of the Heart, Biliousness, &c.

Mr. Arthur Petch, 25, Neville Street, Haxby Road York, writes:—"I am very pleased to add my testimony to the many that have been sent, in praise of your Wind Pills as a cure for Indigestion. For nearly two years I have never been without them in the house, and I am pleased to say that I have derived great benefit from them, and in the future, as in the past, I shall be delighted to speak in great praise of Page Woodcock's Wind Pills." A purely voluntary statement, and not paid for.—P.W.

Mr. Geo. Clark, 631 Back, Leamore, Walsall, writes:—"I have received great benefit from taking your Wind Pills. I was off work several weeks suffering from acute Rheumatism. The Doctor failed to effect a cure. I took Flowers of Sulphur with the Wind Pills and the effects were marvellous, well nigh miraculous. I am very grateful to you for such a wonderful remedy."

Sold by all Medicine Vendors at 1/1½ and 2/9.

PAGE WOODCOCK'S COUGH PILLS

A SAFE AND EFFECTUAL CURE FOR
Coughs, Colds, Asthma, Influenza, Shortness of Breath,
Bronchitis, and removing Phlegm, &c.

A Wonderful Statement!!

STONEY LANE, GOOSNARGH, near PRESTON.

Dear Sir,—I have received great benefit from taking WOODCOCK'S PECTORAL COUGH PILLS. I had tried a score of Cough Medicines, without gaining relief; I was troubled with a very bad Cough during the night, and tickling in my throat. I had been in this way for nearly two months, and found that I was getting worse every day. A druggist persnaded me to try your Pills; the first dose did me more good than all the Cough Medicines I had taken. Now I have not the slightest Cough, the night sweats are gone, and I can sleep well. THE COUGH PILLS ARE WORTH THEIR WEIGHT IN GOLD.—Yours truly, JAMES ALSTON.

PAGE WOODCOCK'S GOUT & RHEUMATIC PILLS

INVALUABLE FOR THE CURE OF

**Gout, Rheumatic Gout,
Chronic Rheumatism, Sciatica,
Lumbago, and Tic-Doloreux.**

F Company, East Kent Regiment, Hong Kong, China.

DEAR SIR,—I cannot sufficiently thank you for the great benefit I have derived through taking your GOUT AND RHEUMATIC PILLS. For many months I suffered from Sciatica, and feared being a confirmed cripple. I tried all kinds of medicines, but rather grew worse. At last I heard of your Gout Pills, and resolved to give THEM a trial. I am thankful I ever did so, they have proved a great blessing. I am now quite well, which I attribute to the use of your Pills. You may give my name to any enquirer. Yours respectfully,

The Ass in the Lion's skin.

An Ass finding the skin of a Lion, put it on; and going in this disguise into the woods and pastures, threw all the flocks and herds into terrible consternation. At last, meeting his owner, he would have frightened him also; but the good man seeing his long ears stick out, at once knew him, and with a good cudgel made him sensible that, notwithstanding his being dressed in a Lion's

skin, he was really no more than an Ass. Moral. Men should be what they seem to be. Page Woodcock's Wind Pills are what they are advertised to be, viz., invaluable for the cure of Indigestion, Wind on the Stomach, Costiveness, Liver Complaints, Sick Headache, Nervous Debility, Palpitation of the Heart, Biliousness, &c.

Mr. Harry Holdsworth Thorburn, Senr., Clerk, H.M. Probate Service, 43, Beda Road, Cardiff, writes—"I have been troubled for some years with bad Indigestion, which brought on two years ago Dyspepsia in a severe form. Other complications followed, viz.:—Nervous Debility, Weak Bowels, and Valvular Weakness of the Heart. I got very weak, and weighed only 6 stone 11 lbs. Eight weeks ago I was suddenly attacked with Heart Palpitation, and became very ill. I took your valuable Wind Pills, and after taking five doses I began to improve rapidly, and since then I have gradually gained my strength, and am now quite active and quick in my movements. I may add that two Physicians pronounced my case incurable, and beyond medical skill for a complete cure, stating that I had Valvular Disease of the Heart. I have recommended your Pills to all my friends; I am sure your Pills have saved my life."

Hall's Wine

*The
Marvellous
Restorative.*

Mr. C. Raimes, of 92, Glenthorn Road, Newcastle-on-Tyne, wrote us on 16th April, 1901, as follows:—

“Permit me to add my testimony to the value of Hall's Wine. My wife is just recovering from a severe attack of Influenza, which left her in a very weak state. The doctor gave her tonics, and she also had several bottles of beef and malt wine, but without any success.

“I was recommended your Hall's Wine, and after the first bottle there was a marked improvement. She is now taking the third bottle, and, I am pleased to say, the improvement continues, the three bottles having done her more good than all the rest of the tonics and beef and malt wines put together.

Sarsaparilla is a favourite and justly valued Alterative Medicine. The old-fashioned way is to buy the root and make a weak decoction of which the dose is a tumblerful.

This **SARSAPARILLA** is a concentrated compound decoction, and the dose (one to two table-spoonfuls) is equal to a tumblerful of the ordinary decoction.

Dispensing :

Ancient

and

Modern.

A comparison of the methods of dispensing medicines fifty years ago with the elegant products of modern pharmacy will show what

great strides the dispenser's art has taken. With the aid of compressed drugs, pearl and sugar-coating for pills, small soluble cachets for powders, tasteless thin gelatine capsules, and many other devices, we are able to mask unpleasant flavours; and the nauseous compounds of those days are now replaced by medicines which are really palatable and easy to take.

To recapitulate a few of the chief points of our up-to-date Dispensing, we call attention to the fact that when you entrust us with your Prescription to dispense, you are assured that—

**The Doctor's instructions
are carried out;**

**The Drugs are of full
strength and activity;**

**They are accurately
weighed and measured;**

**They are compounded in a
scientific and skilful man-
ner by skilled Chemists.**

Our Dispensing Charges
are 50 % below the usual
charges.

Delivery Free to all parts
of Birmingham and suburbs.

A complete record is kept
of all Prescriptions, and we
are always willing to furnish
a copy free.
